

Tesoro LVP Care & Maintenance

Simple steps to care for & clean your flooring:

Tesoro Luxury Vinyl Planks (which include Luxwood XL, Luxwood, TimberLux, V-Lux and other LVP series) surfaces are easy to clean and offer additional stain resistance.

Whichever series you purchased, following these simple cleaning tips will help keep your flooring looking great:

Do

- Sweep your floors regularly to remove loose dirt and grit.
- Use furniture pads under furniture, chair & appliance legs
- Use protective floor mats under ALL rolling chairs!
- Use walk off mats in all entry ways
- Adjust blinds to deflect full sun exposure to avoid fading
- Wipe up any spills.
- For filling small scratches – use Minwax Blend Fil Colored Pencils
- Clean your floors using Bona™ cleaning product for LVP - Simply spray the cleaner on the floor and use a wrung out damp mop.
- For difficult spills, use Bona™ cleaning product for LVP and wipe clean with a dry white cloth.
- For deeper cleaning – use only pH neutral cleaners & damp cloth
- Maintain room temp between 65 – 85 degrees F at all times.

Don't

- Don't use any harsh chemicals to clean.
- Don't use abrasive pads
- Don't use steam cleaners. Non-Steam Swiffer is OK
- Don't use a commercial vacuum with a heavy beater bar.
- Don't ever drag anything across the floor

If you follow all these steps you will have a beautiful Tesoro LVP floors for years to come!
