

# Tesoro LVP Care & Maintenance

## Simple steps to care for & clean your flooring:

Tesoro Luxury Planks (which include LuxWood XL, LuxWood, our other LVP flooring and our Laminate series – BossWood & Glen Vista) are easy to clean and offer additional stain & scratch resistance. Just follow these simple cleaning tips to help keep your flooring looking great:

### Do

- Sweep your floors regularly to remove loose dirt and grit.
- Use furniture pads under furniture, chair & appliance legs
- Use protective floor mats under ALL rolling chairs!
- Use walk off mats in all entry ways
- Adjust blinds to deflect full sun exposure to avoid fading
- Wipe up any spills within 24 hours
- For filling small scratches – use Minwax Blend Fil Colored Pencils
- For weekly cleaning use Bona™ cleaning products for LVP or Laminate flooring - use a well wrung-out damp mop.
- For hard to clean marks, use Magic Eraser and wipe clean with a damp white cloth.
- For deeper cleaning – use a pH neutral cleaner & damp mop
- Maintain House AC between 65 – 85 degrees F, at all times.

### Don't

- Don't wax your floors
- use any harsh chemicals to clean (like bleach).
- Don't use abrasive pads to clean.
- Don't use steam cleaners. Swiffer (non-steam) is OK.
- Don't use a commercial vacuum with a heavy beater bar.
- Don't ever drag anything across the floor

If you follow all these care steps, and if it was installed correctly, you will have a beautiful Tesoro Floors for years to come!
